2019 Calendar Theme

Landscapes of the High-Country Communities

QUALIFICATIONS:

Photograph submissions must follow these requirements.

1. The theme for the 2019 Calendar Contest is "*Landscapes of the High-Country Communities*". All photo submissions must be predominantly landscape images. They can have incidental images of buildings, people, animals and vehicles in them, but no dominating images of such.
2. Photos must be original, taken by the person applying to this contest.
3. Photos must be taken within the higher elevations of the Santa Rosa mountain range encompassing the communities of Aguanga, Anza, Mountain Center, Pinyon Pines, Pinyon Crest, Idyllwild, Pine Cove, Poppet Flats, and (with permission) the local tribal reservations of Cahuilla, Ramona or Santa Rosa.
4. Photos must be resolutions of 300 dpi (dots per inch) or higher. If not taken with a digital camera or phone, photos must be converted into digital files of 300 dpi or greater.
5. Photos should be landscape format, as opposed to portrait. We reserve the right to crop submittals within an 11" wide x 8.5" tall ratio. Photo submissions must be either JPEG or PDF formats.
6. The preference is to have recent photos taken within the 2017-2018 calendar years. However, if you submit an older photo of exceptional quality it may be accepted for our publication.

Please complete all the following information so that your photo(s) will be accepted in our competition. Each Entry Form allows for up to four (4) photo submissions. Use a new form for additional entries.
