2020 Calendar Theme

Closeups of the High-Country Communities

QUALIFICATIONS:

Photograph submissions must follow these requirements.

1. The theme for the 2020 Calendar Contest is *"Closeups of the High-Country Communities"*. All photo submissions must be photographed within 5 feet of the subject image(s). They can plant, animal, or mineral and may include manmade items as accents (e.g. yard art, fountains, windchimes, etc.).
2. Photos must be original, taken by the person applying to this contest.
3. Photos must be taken within the higher elevations of the Santa Rosa mountain range encompassing the communities of Aguanga, Anza, Mountain Center, Pinyon Pines, Pinyon Crest, Idyllwild, Pine Cove, Poppet Flats, and (with permission) the local tribal reservations of Cahuilla, Ramona or Santa Rosa.
4. Photos must be resolutions of 300 dpi (dots per inch) or higher. If not taken with a digital camera or phone, photos must be scanned and then converted into digital files of 300 dpi or greater.
5. Photos must be landscape format (wider than they are tall), as opposed to portrait (taller than they are wide). We reserve the right to crop winning photos within an 11" wide x 8.5" tall ratio. Photo submissions must be either JPEG or PDF formats.
6. The preference is to have recent photos taken within the 2018-2019 calendar years. However, if you submit an older photo of exceptional quality it may be accepted for our publication.

Please complete all the following information so that your photo(s) will be accepted in our competition. Each Entry Form allows for up to four (4) photo submissions. Use a new form for additional entries.
