## CREATIVE PHOTOGRAPHERS NEEDED FOR 2019 CALENDAR CONTEST

Entries accepted until July 15, 2018!

ANZA, CA, December 7, 2018– “Landscapes of the High-Country Communities” is the theme for the 2019 Calendar Contest hosted by Marketplace Cooperative, Inc. (MCI) at 56480 Hwy 371, Suite 11, in Anza. With autumn swiftly passing into winter, MCI decided to launch this event before these seasonal opportunities slipped away.

*Sandi Hughes, co-owner of MCI elaborated, “We are very excited about creating a local calendar for all the residents and businesses on the hill to enjoy and that showcases local talent. We expect to do this annually with different themes each year.”*

The advancement of digital photography and improved cell phone cameras improves everyone’s ability as a photographer. The 2019 Calendar Contest gives amateurs and professionals alike to share their beautiful photos with others year-round. For more details and entry forms visit [www.marketplacecooperative.com](http://www.marketplacecooperative.com), on Facebook @MarketplaceCoop or stop by MCI on your way to the Anza Post Office. It’s the first office on Contreras Rd. north of Hwy 371 and across from the fire station.

*Hughes added, “Skill level isn’t a qualification for entering. Anyone can be lucky enough to snap that ‘once in a lifetime’ moment with our gorgeous sunsets and country beauty.”*

Marketplace Cooperative, Inc. is a worker-owned cooperative providing a wide variety of business services in Anza, CA. MCI is also the producer of a bi-monthly ad sheet under the subsidiary of Local Directory Publishers.
